SEWER BILL LATE PENALTY

City Ordinance Section 710.60

A late payment penalty of ten percent (10%) of the user charge bill will be added to each delinquent bill. If any bill is not paid by the twentieth (20th) of the month, said bill shall be billed interest from the due date at the statutory rate. All such delinquent bills shall become a lien on the property upon the City filing a notice of delinquency with the Recorder of Deeds. A release shall be filed when all delinquent charges, interest, expense and attorney's fees have been paid in full. A lien hereby created may be enforced by suit or foreclosure.

REDUCTION METERS

Readings must be submitted monthly, even if there is no usage. Bills will not be corrected for failure to report a reading.

Grinder Pumps

Many areas of the city are serviced with sewer grinder pumps. The City services these pumps and the service line from the pump to the main 24/7. Homeowners are responsible for service lines running from the grinder pump to the home.

If there is an issue with the grinder pump, an alarm will sound and a light will flash. If this occurs, please call 417-739-5500 for service.

NOTICE

**DO NOT POUR GREASE
DOWN THE DRAIN**

Grease will stop up your grinder pump. If an excessive amount of grease is found in your grinder pump, you will be responsible for repairs. Please do not flush any diapers, wet wipes or foreign items down the sewer.
